

*The Bluegrass Elvises, Vol 1*, from Shawn Camp and Billy Burnette on the American Roots Publishing label, features fun-spirited bluegrass covers of Elvis Presley songs like "Don't Be Cruel," "All Shook Up," "Little Sister," "That's All Right Mama," "Hound Dog," "Jailhouse Rock" and more. Multi-instrumentalist/songwriter with Arkansas bluegrass roots, Shawn Camp and Billy Burnette, of the legendary rockabilly family and member of Fleetwood Mac from 1987-1985, join forces in their admiration and celebration of all things Elvis. Beginning with "2007: A Bluegrass Oddity," a tribute (complete with Lester Flatt G-run) to Elvis's "Theme from 2001: A Space Odyssey" that kicked off his Vegas shows, the pair is backed by a stellar crew of bluegrass musicians.
