

THE COLLECTORS RECORD AND COMPACT DISC MARKETPLACE

Goldmine

DVD recommendation: *Best of the Flatt & Scruggs TV Show Vol. 1 & 2* (Shanachie). These surviving kinescopes may seem grainy, but these regional television shows - Martha White commercials intact - showcase Flatt & Scruggs and their Foggy Mountain Boys at their lively best. Aspiring pickers will be amazed to see that Scruggs was every bit as good on guitar as banjo.
